Re: Novick v. AXA Network LLC, et al.
Case No. 1:07-cv-07767 (AKH)(KNF)

Dear Judge Hellerstein:

We represent the defendants-counterclaim plaintiffs-appellees AXA Network, LLC and AXA Advisors, LLC ("AXA") in the above-referenced litigation, which has been tried and appealed and in which the remand of an order awarding attorneys' fees to AXA is now before the Court.

The parties are pleased to submit the enclosed Settlement Agreement and Order, together with a proposed Additional Judgment, both addressing the issue of attorneys' fees remanded by the Second Circuit. The parties respectfully request that the Court so order the Settlement Agreement and Order, and execute the proposed Additional Judgment. If the Court agrees, and executes these documents, the parties' outstanding business before this Court will be concluded. There is now a Court conference scheduled for May 18, 2018 at 10:00 a.m. that the parties view as unnecessary, but leave to the Court's discretion whether or not to cancel that conference.

On another note, please allow me to express the sincere appreciation of both sides and all involved legal counsel for the Court's attention and dedication to this lengthy litigation.

Respectfully submitted,

Aime Dempsey
